CAMPUS SECURITY POLICIES

Campus Security (As published in the School Catalog)

Campus security statistics are updated and distributed by October 1 each year. Jeanne Clery Disclosure of Campus Security Policy and Campus Statistics Report is distributed to every employee annually by October 1st and is available to prospective employees and students at their request. A copy of the Campus Security and Crime Prevention Policy is delivered to each employee. The report is distributed to all students through the Campus Security and Crime Prevention Policy and is distributed during the admissions process and/or currently enrolled students in class. In addition, this information is readily available for review by students and employees in the Campus Director's office or the School's website at any time.

FEI makes every effort to maintain a secure campus. All students and employees are encouraged to report any crime occurring on campus to the Campus Director's office. While FEI strives to provide a safe and secure learning environment, FEI does not assume responsibility for loss of books or personal property on campus.

Please refer to the **latest Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Report which can be found at www.fei.edu/disclosures.**

Reporting Of Criminal Actions and Emergencies

Florida Education Institute students and employees will report immediately all observed criminal actions and bona fide emergencies to the Campus Director or senior administrator

present when a reportable incident occurs. **Anyone observing or being notified of a criminal action or incident requiring 911 response, must not hesitate dialing 911.** The Campus Director or administrator to whom the crime or emergency is reported will complete an Incident Report and make written notation, including names, date and time of the reported incident and will remain on duty to assist the police in establishing details of the incident reported. Further, the Campus Director will maintain a file of such reported incidents and will endeavor to learn of and note the conclusions. In the absence of both the Campus Director and an administrator, reporting of criminal actions, and/or emergencies to the appropriate authorities should be undertaken directly by the employee or student who has either been victimized or has observed an alleged criminal action.

Campus Security Personnel

FEI provides campus security guard services in the evening and at some other times where administration determines necessary. In addition, FEI may contract with local police agencies to provide security at some school sponsored events. The role of the campus security guard is to deter crimes from occurring on or near campus property. Any crimes that do occur on campus while campus security guard is on duty should be reported to the campus security guard immediately. Campus security guard will document the incident and contact local law enforcement if necessary. FEI may have a working relationship with local and state law enforcement, but does not have any formal agreement for the investigation of alleged criminal offenses.

For when the FEI campus is not being monitored by the campus security guards, all crimes that occur on campus should be reported immediately to the Campus Director or administrator on campus. If a crime occurs while campus security guard or the Campus Director is unavailable, please contact the appropriate law enforcement agency immediately. Students, staff and faculty involved in or witness to a crime are encouraged to give accurate and immediate information to campus security guards and/or the appropriate law enforcement agencies for all reportable crimes.

Student Orientation and Awareness

FEI conducts new student orientation each time new students start a program. This orientation includes information about on-site security and crime awareness. Employees are informed of crime reporting policies, campus policies and crime statistics at the time of their employment and are given updates yearly. Further, all students are informed of FEI's drug and alcohol policy as a condition of eligibility to participate in Title IV financial assistance programs. FEI has no other specific program designed to inform students and employees about the prevention of crimes, with the exception of those described herein and occasional announcements from outside authorities.

Preparing The Annual Disclosure Of Criminal Statistics

All incidents are reported and documented in the Incident Report, which is sent immediately to the President. Reports are kept in a secure location in the Campus Director's office. The annual

crime report is prepared by gathering, if possible, campus crime statistics and data from the local police department and other relevant information by the Campus Director.

Facilities Access

The campus premises are considered off limits to all but those members of the general public who have specific business concerns or relations with FEI. Therefore, all unidentified visitors may be challenged for purpose of visit at any time by members of FEI staff and administration. Visitors deemed as intruders will be reported to the Campus Director and/or the Police Department when a staff member is not able to cause the unauthorized individual to vacate the campus property. Students, staff, and faculty are urged to report intrusions immediately to members of the administration or, if necessary, by calling 911.

Programs To Inform Students And Employees About Campus Security

All new FEI students are instructed on crime awareness, prevention and campus security during orientation, and are encouraged to take responsibility for their own security, as well as their fellow classmates and the FEI employees. The orientation includes a description of campus security policies and procedures, suggestions on how to avoid becoming a crime victim, evacuation plans at the institution, and procedures for reporting any criminal activity or emergency.

Weapons Policy (As Published In The School Catalog)

Guns, knives and instrument or devices that may be considered possible weapons are not permitted on the premises of FEI. This policy applies to employees, student and visitors. If this policy is violated, the police will be called and the offender escorted off the school premises. Student and staff offenders may be terminated, suspended, or put on probation at the discretion of the administration.

Drug and Alcohol Policy (As Published In The School Catalog)

This policy applies to all employees and students. The School strictly prohibits the unlawful possession, use, or distribution of illicit drugs and alcohol by students and employees on School property (or any site during work or scheduled instruction time), or in connection with any school-sponsored activity. Reporting to or remaining at work or school under the influence of or impaired by alcohol or illicit drugs is also prohibited. Violation of this policy by an employee or student is grounds for disciplinary action, up to and including termination from employment and suspension or expulsion from School. Referral to a rehabilitation facility and/or referral for criminal prosecution may occur where appropriate. Any student or employee selling drugs at the aforementioned properties and/or during scheduled instruction time will be immediately dismissed or terminated from the School and referred to the appropriate legal authority for prosecution. This policy also includes other provisions for employees found in the Employee Manual, including but not limited to, Forms 11-205 and 11-206, which help provide a safe and drug-free work environment.

Anti-Harassment/Discrimination (As Published In The School Catalog And Employee Manual)

FEI strives to maintain a school and workplace that fosters mutual respect for all employees and students. FEI is committed to and promotes harmonious, productive working relationships and learning environment. Our organization believes that discrimination and/or harassment in any form constitutes misconduct that undermines the integrity of both the employment relationship and the student's learning relationship with an instructor or any member of the FEI staff. Harassment or unlawful discrimination against individuals on the basis of race, national origin, religion, sex, disability or any other classification protected by state or federal laws is illegal and prohibited by FEI policy. Such conduct by or towards any employee, student, contract worker, vendor or anyone else who does business with FEI will not be tolerated. To the extent an employee, student, vendor or other person with whom FEI interacts with or does business with engages in unlawful harassment or discrimination, FEI will take appropriate corrective action, including but not limited to the appropriate law enforcement authority. There will be no retaliation for reporting in good faith any behavior or conduct that violates this policy.

PERSONAL RESPONSIBILITY

The cooperation and involvement of students, faculty and staff is absolutely necessary. Every individual must assume responsibility for their own safety and the security of their property by following simple precautions and operating with common sense.

VIOLENCE AGAINST WOMEN ACT

The Violence Against Women Act (VAWA) is a federal law that was implemented in 1994 in recognition of the severity of the crimes associated with domestic violence, sexual assault, and stalking, as part of the Violent Crime Control and Law Enforcement Act of 1994. VAWA was reauthorized in 2000, 2005, and 2013 to strengthen the law.

The Violence Against Women Act provides protection to women against crimes of sexual violence. The act was amended on several occasions and placed new obligations on colleges and institutions to report and conduct educational programs under its Campus Sexual Violence Act (Campus SaVE Act), which amended the Clery Act.

The 2013 VAWA Reauthorization added a non-discrimination provision that prohibits discrimination on the basis of sex by organizations that receive funding under the Act and allows an exception for "sex segregation or sex-specific programming" when it is deemed to be "necessary to the essential operations of a program".

Critical to ending violence and maintaining a safe campus is recognizing and avoiding abusive behavior. Abuse can surface in many ways (emotional, verbal, psychological, sexual, and physical). Some warning signs of abuse are:

- Frequent yelling directed at a partner
- Blaming partner for own faults
- Name-calling
- Consistently accusing partner of infidelity

- Kicking, holding, slapping, and scratching
- Forcible sex (e.g., wanting sex after hitting)

Impact on FEI

All institutions are charged with adopting the following VAWA requirements:

- A statement that the institution prohibits the offenses of domestic violence, dating violence, sexual assault, and stalking
- A clear definition of what constitutes domestic violence, dating violence, sexual assault, and stalking in the applicable jurisdiction
- A definition of consent in regards to sexual activity, in the applicable jurisdiction
- Safe and positive options for bystander intervention in order to prevent or intervene when there is a risk of sexual violence or stalking against another individual
- Information on risk reduction to recognize warning signs of abusive behavior or how to avoid potential attacks

FEI's VAWA Policy Statement

Florida Education Institute is committed to maintaining a safe and secure work and academic environment free of any form of sexual misconduct including domestic violence, dating violence, sexual assault, stalking, and sexual harassment. A violation of the Violence Against Women's Act shall constitute grounds for disciplinary action, up to and including, dismissal from the College.

Consent

“Consent” means intelligent, knowing, and voluntary consent and does not include coerced submission. “Consent” shall not be deemed or construed to mean the failure by the alleged victim to offer physical resistance to the offender. Giving in is not the same as giving consent.

Be an advocate for preventing sexual violence.

Model the behavior that values respect for others and promotes positive pro-social behavior.

Of those crimes that occurred On Campus, in On-campus Student Housing Facilities, on or in Noncampus property or buildings, and on Public Property, enter the number of crimes that were unfounded.
 The total number of unfounded crimes should include all criminal offenses, hate crimes, domestic violence, dating violence, or stalking incidents that have been unfounded. Arrests and disciplinary actions cannot be unfounded.
 If a reported crime is investigated by law enforcement authorities and found to be false or baseless, the crime is "unfounded". Only sworn or commissioned law enforcement personnel may unfound a crime.
